Choice of Finishes

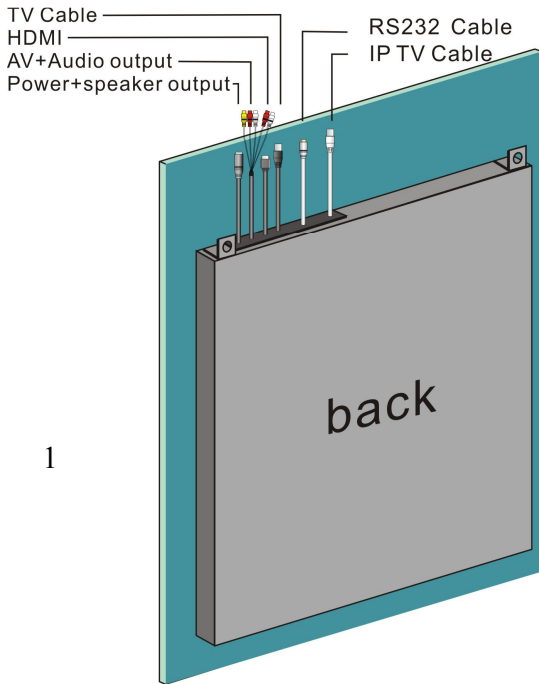

Crystal Clear – A crystal mirror incorporates a clear screen TV. When the TV is switched 'off' a black rectangle is visible in the mirror.

Simply Magic – A grey style mirror creates the illusion of an invisible TV when TV is switched 'off'. Please note this is a darker mirror than a crystal mirror.

Technical Drawings & Installation

Drawing (1) shows a picture of the TV unit. This TV is fitted behind a larger mirror using brackets which are glued to the mirror. An illustration of this can be seen in drawing (2).

Finally a wall bracket is fixed to the wall and the whole unit can be hung onto the wall as in drawing (3)

The vanity TV unit is designed such that it hangs no more than 25cm from the wall.
