**Quality
Manufacturer
of Hidden TVs
Since 2006**

Seamlessly integrating
Smart HD TVs into
every room in your home.

Come with 5 years warranty.

Kitchen TV

For our Kitchen Splashback TV we use the latest Samsung Smart Qled HD TVs.

When fitted discreetly behind a toughened glass splashback, this provides an unobtrusive, sleek solution for a kitchen TV.

TechVision, est 2006

- Bespoke sized glass to fit your design, up to 3m long
- Choice of toughened glass in either Silver, Grey or Bronze Mirror and in a Smoked Black finish
- The TV screen completely disappears when switched off
- Available with 32, 43, 50, 55 or 65 inch TVs

Bathroom TV

Place your Bathroom TV at the foot of the bath or have it as a mirror above a double sink. We offer bespoke solutions made to fit your design.

Incorporates any size of Samsung TV and comes with ceiling speakers as standard.

TechVision, est 2006

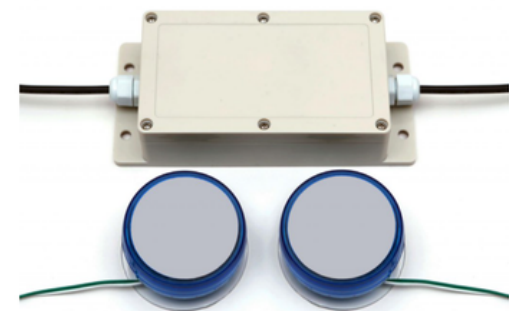

- Bespoke sized Bathroom Mirror TVs
- The TV can be situated anywhere within the mirror
- Options of mirror glass are available
- Supplied with a Samsung one connect box, for easy installation
- Comes with ceiling speakers as standard, or can be connected to our Soundbathe system

TechVision, est 2006

SOUNDBATHE

Our unique sound system transforms any bath into a bluetooth speaker for a truly immersive experience.

Can be used as a stand alone unit, or in conjunction with our range of Bathroom TVs.

Bedroom Mirror TV

Made to measure
Bedroom Mirror TVs.
Designed to intergrate
seamlessly with your
decor.

Incorporates any size of
Samsung Smart TV.

Available as either
frameless or with a choice
of frames.

TechVision, est 2006

Gym Mirror TV

Fantastic space saving, full length mirror with 32 or 43 inch Samsung Smart TV.

Catch up on your favourite programmes whilst working out or upload a training app.

Standard height of 1600mm or 2000mm.

Bespoke sizes are also available.

Framed Mirror TV

We manufacture Framed Mirror TVs, with a large selection of styles and colours to suit any decor and room in your home.

This product offers a perfect solution for both hiding the TV and creating extra space.

Using Samsung Smart Qled HD TVs, available in all sizes.

TechVision, est 2006

Premium Framed Mirror TV

Perfect for period properties, our traditional handmade and finished frames are built specifically for you.

We manufacture these beautiful frames in a range of styles and colours to meet your individual requirements.

TechVision, est 2006

Frameless Mirror TV

For a contemporary, modern look, our Frameless Mirror TV offers the perfect solution.

We offer a choice of mirror finishes, as well as side, in-fill frames, to hide the TV.

Using Samsung Smart Qled HD TVs, available in all sizes.

Custom Frames for your TV

Ideal for the Samsung the Frame TV and the LG Gallery

Add a bespoke frame to your Picture frame TV to create a stunning work of art.

We have a large choice of wooden frames available, with samples on request.

TechVision, est 2006
