every room in your home.

Come with 2 years warranty.

Kitchen TV

Our Kitchen Splashback TV is fitted with the latest Samsung Smart Qled HD TV.

TechVision, est 2006

When fitted discreetly behind a toughened glass splashback, this provides an unobtrusive sleek solution, for any kitchen.

TechVision, est 2006

- Bespoke sized glass to fit your design, up to 3m long.
- Choice of toughened glass in either Silver, Grey or Bronze Mirror or in a Smoked Black finish..
- The TV screen completely disappears when switched off.
- Available with 32, 43, 50, 55 or 65 inch TV.

- Our Kitchen Splashback TV can be wall mounted as it's only 30mm deep, or easily recessed.
- One central control box, having all the TV inputs, connects via a 5m cable to the TV. This makes all the TV inputs easily accessible.
- Sound can come from ceiling speakers, built in on board speakers or via bluetooth to any stand alone speakers.

TechVision, est 2006

Bathroom TV

We offer Bathroom TVs perfect for placing at the end of the bath and recessed into the wall.

Our bespoke bathroom mirror TVs can be made to fit your design and be wall mounted or recessed.

TechVision, est 2006

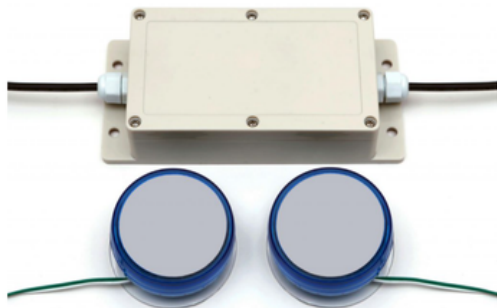

TechVision, est 2006

- Bespoke sized Bathroom Mirror TVs.
- The TV can be situated anywhere within the mirror.
- Options of mirror glass are available.
- Supplied with a central control box, for easy installation.
- Comes with ceiling speakers, or can be connected to our Soundbathe system.

SOUNDBATHE

Our unique sound system transforms any bath into a bluetooth speaker for a truly immersive experience.

Can be used as a stand alone unit, or in conjunction with our range of Bathroom TVs.

- End of bath Bathroom TVs
